Meet Our Award-Winning Cheesemaker

Hirer Feature

This month we are featuring one of our regular hirers who is an award-winning cheesemaker:

"My name is Anabelle, a French-born Kiwi on a mission to share my passion for good, simple food with lovingly crafted dairy products that melt in your mouth.

Founded in 2019, Anabelle's affords me the opportunity to explore my true passion whilst being present for my family. Since then, I have been successfully crafting mouth-watering French-style cheeses and yoghurts that my customers adore. And the industry agrees, with several NZ Cheese Awards already!

A French upbringing instilled in me that good food and company was life itself, sparking a lifelong passion for all things food. A Masters in Food Technology gave me the science I needed, and it's this

You can find Anabelle's products at Farro and Simply Fresh Northcote, on online at her website.
